July 2024 Monthly Update

I hope that you all have had a wonderful summer! July is the month of conferences, so I've spent a decent amount of time on the road. It was so wonderful to see many of our friends at the NARO-TX Convention. This coming week, I will be in College Station for the Texas A&M Beef Cattle Short Course. If you'll be there, be sure to stop by the booth!

The Statewide Members Meeting is approaching quickly, and the deadlines are beginning to hit. There is a lot of information below, but please make sure to pay attention to the dates. We are excited about the meeting and look forward to seeing you in October.

Between traveling and planning the meeting, I'll be attending the various interim legislative hearings. I included next month's meetings in the Upcoming Dates of Interest section, but you can find a full listing on the [House](#) and [Senate](#)'s websites.

As always, please email me if you have any questions or concerns.

2024 TLMA Statewide Members Meeting Update

[REGISTRATION IS OPEN!](#) We encourage you to register at your earliest convenience. If you register by Friday, September 27, you will receive a discount! You can register at the meeting as well.

In two weeks, we will meet the first deadline – the final day to upgrade your membership to receive an invitation to the Member’s Cocktail Reception. This is open to all members at the \$250 level and above. If you are interested in attending the reception, please email info@tlma.org to get the appropriate invoice. You will only pay the difference between your current membership level and \$250.

Earlier this week, we announced our wonderful speakers. We look forward to having them join us this year.

Since we moved the meeting to a Tuesday, we have opened additional exhibitor spaces! We are still limited in the total number, but, if you would like to be an exhibitor, please let me know.

Sponsorships are also still available. This meeting would not be possible without the generosity of our great sponsors. You can see a full list below. If you would like to join this list, the lunch, educational, and title sponsorships are available.

There are still rooms available in our room block at the **Wyndham Garden Inn Riverwalk** (soon to be the Sol Cypress by Marriott). If you need to make a reservation, you must call. Their phone number is 210-515-4555. The room block closes on **Saturday, September 7, 2024**.

Two Texas House Committees Hold Hearings – Culture, Recreation and Tourism and the Select Committee on Securing Texas from Hostile Foreign Organizations

The House Committee on Culture, Recreation and Tourism held a hearing to discuss conservation easements in July.

The House Committee on Securing Texas from Hostile Foreign Organizations held a hearing to discuss the threats from various hostile countries and organizations. This hearing did not focus solely on the ownership of land, but this subject frequently came up. The primary concerns around real estate regard the enforcement of the law: 1) who is responsible for ensuring the purchaser is not a hostile foreign organization, and 2) how to reverse any financial transactions.

The House Agriculture and Livestock Committee will host a hearing on foreign owned ag land on Tuesday, August 13, 2024, at 10 am. It will be held at the Capitol but will also be available via livestream.

The upcoming hearings are listed in the Upcoming Dates of Interest section.

You can view the committee postings for the [Senate](#) and [House](#) and the livestream links at the bottom of the email.

Do you have a topic or issues you want to be included in the monthly newsletter? Please email it to info@tlma.org for review and potential inclusion.
